Haifa Children's Home
Seeks Public Support

HAIFA, Saturday. The Shabbat Children's Home has called to the public for support to help it cover its IL200,000 annual deficit. The Home fears that the institutions now supporting it are likely to overlook it in an emergency, just when its importance should greatly increase. The Home, established in 1943, is the only one of its type in the country. It cares for 120 children of soldiers, ex-soldiers and policemen, and also a large number of needy children. Many of the children at the Home come from soldiers' families with social or economic problems. No child needing care is turned away. Late one night recently, two babies were brought from the Kiryat Shimonah midwife. Three similar "late night" cases have occurred in the past three months. The Home "belongs" officially to no one. It is financed by voluntary donations and funds raised on its own initiative.

LAW REPORT

In the Supreme Court Sitting As Court of Criminal Appeal Before the Justices Silberg and Witkon.

Attorney General's Appeal Against Punitive Costs Fails

The Supreme Court dismissed an appeal against a judgment of the Tel Aviv District Court sitting as a court of appeal, delivered on October 20, 1955 (Cr. A. 214/55), in which the decision of the Magistrate's Court as to the accused's charge of contravening a provision of the Purchase Tax Law, 1952, was confirmed. Mr. David was charged with having kept certain goods chargeable with tax when, without just cause, the tax due against them had not been paid pursuant to section 22(a) (3) of the Purchase Tax Law. He was acquitted of the charge by the Magistrate's Court in accordance with the powers granted it by section 38 of the Penal Code Amendment (Punishment) Law, 1954, which provided that the accused, since the charge had been paid without foundation, the Attorney General's appeal applied against both the acquittal and the imposition of costs, and the Tel Aviv District Court, composed of Justices Silberg and Witkon, in confirming the acquittal, held that from the evidence produced before the court of lower instance it had been proved that the accused, when he bought the goods from the manufacturer, had paid a price which included purchase tax, but that the manufacturer had not remitted over the tax to the Treasury, since he had received an extension which had not yet expired. The tax had, therefore, with just cause not been paid. As for the costs imposed on the prosecution, the District Court refused to deal with the matter on the grounds that the prosecution was not entitled to appeal this decision.

Judgment

The President, in giving the judgment of the Supreme Court, pointed out that the Attorney General's appeal was against the acquittal but had confined himself to appealing against the District Court's conclusion that there was no appeal against an order for costs. The decision of the District Court was based on sections 30 and 36 of the Penal Code Amendment (Punishment) Law, 1954, under which costs in a criminal case may be imposed on the accused or the Attorney General respectively. Section 36, dealing with the costs to be imposed on the accused, states specifically that for purposes of appeal any such costs shall be regarded as part of the punishment, whereas section 36 (dealing with costs imposed on the Attorney General) makes no mention whatsoever of any appeal. Mr. Gluckman, State Attorney, and Mr. Bach, Assistant to the State Attorney, appeared for the appellant. The respondent did not appear.
